**Re:** Outward Bound - Donation Challenges

---

We will be presenting the Outward Bound Veterans Program to the media on Friday, January 29 together with a promotional size donation cheque from our branches and Command. **This is a great opportunity for our organization to get the recognition we deserve for the work we do within our communities.**

Your pledges can be added to the cheque amount and the payment can be sent after the press conference. Please contact Marilyn at the office with your pledge amount so we can add it to the total. Her email address is [m.brooks@abnwtlegion.com](mailto:m.brooks@abnwtlegion.com)

To date our Three Sisters Branch has donated \$5,000 and Centennial Branch has donated \$7,501. Both branches have challenged other branches to meet their amounts. Thank you to the other branches that have sent in their support.

Monies can be taken from your Poppy Funds or Gaming Funds, (with prior permission)

**Let's pull together and help our Veterans by supporting this great program!**

**THANK YOU.**

**PLEDGES TO DATE \$100,001 OUR GOAL IS \$100,000 (as of January 29,2010)**
